

Atlantic City Country Club

Celebrate Life's Milestones in Extraordinary Style.

When it comes to your special event, no ordinary venue will do. While the Atlantic City Country Club is one of America's oldest and most prestigious golf clubs, we are also a world-class celebration destination.

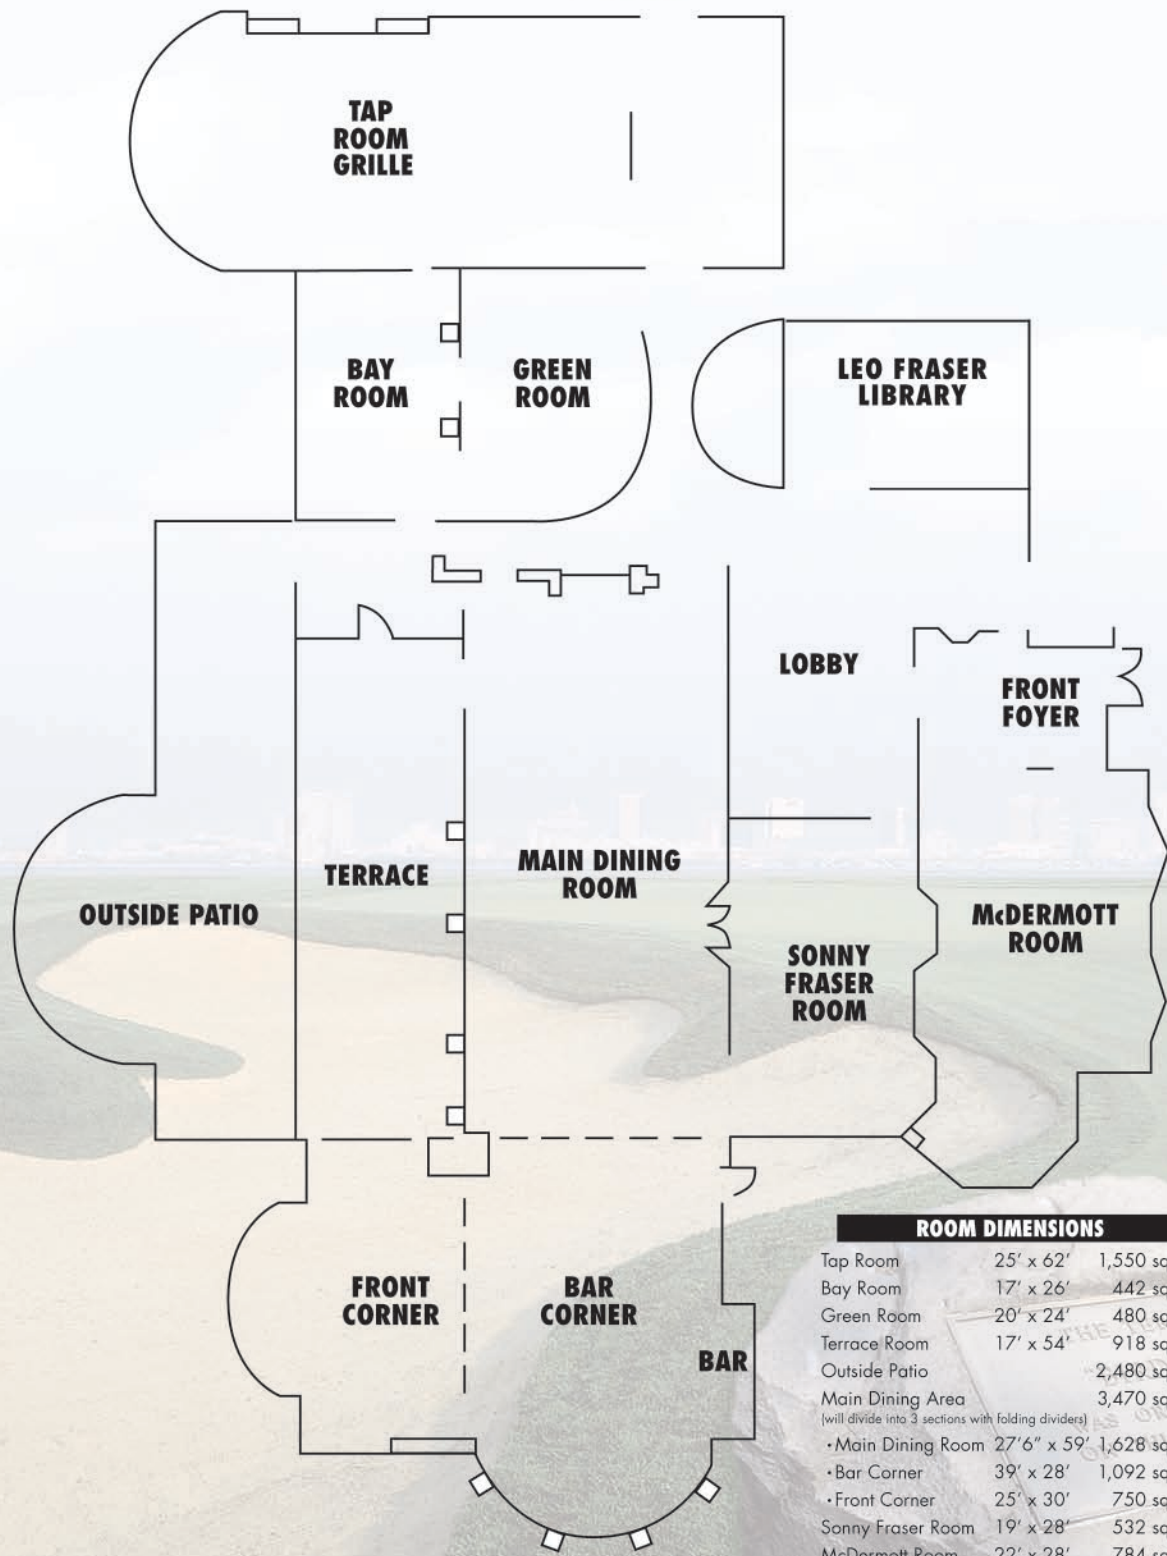

For more than 100 years, enjoyment of this bayside treasure was reserved exclusively for an elite roster of private members. Now, Atlantic City Country Club is available to all.

Nestled in the serene beauty of the coastline, our premier banquet, meeting and golf facilities create the ideal site for storybook weddings, class reunions, critical business luncheons or golf outings from 20 to 200.

Our banquet rooms open to a lovely terrace with panoramic views of the course's rolling, velvet fairways and the sparkling Atlantic City skyline. Our award winning culinary team will customize your event menu to suit both your budget and any special dietary considerations.

At Atlantic City Country Club, impeccable service, dedication to excellence and attention to detail combine to ensure a flawless event. You imagine the possibilities, we take care of the details.
