

CAESARS PALACE PAVILION

A Triumph of Unconventional Success has Arrived.

Our special event superstructure with over 49,000 square feet of flexible convention space and state-of-the-art communications technology is taking the Empire by storm. The Caesars Palace Pavilion is much more than a large contemporary convention facility. Of course, it offers all the production-friendly space and ultra-modern hardware you can imagine. More importantly, our specially appointed Convention Services Managers oversee and help orchestrate your every detail. To top it off, our partnerships with the finest exposition support teams are second to none.
