

Backstage Tours

For the past 27 years we have been reenacting the sinking of the Titanic and the destruction of Samson's Temple with a cast of 85 to the delight of millions of people. Every wonder how we do it? We can show you.

Our famous Jubilee Dancers will escort your guests into the theatre, divide them into groups of 25 people, and show them how the most famous Las Vegas stage spectacular functions on a nightly basis. Their experience will include stepping out on one of the most technologically advanced stages in the world, visits to the scenery and costume areas where all the Bob Mackie and Pete Menafee costumes are kept, the light booth which house the most up to date effects, and of course culminating with a Jubilee Showgirl make up demonstration and costume change that will transform your guide into one of our world famous Jubilee! Showgirls. We would also like to invite your guests to take photographs with our showgirl.

The cost for this tour is \$18.00 per person. If you choose not to use the make up tour the cost is \$15.00 per person.

We also offer Public Tours Monday, Wednesday, and Saturday at 11:00 a.m. only at a cost of \$15.00 per person.

Please be advised that your guests will have to climb stairs and although the tour is not physically challenging there is no elevator or ramp access.
