Congratulations! Call us at 1-877-650-5021. You'll need to have made your package selection, have a date and time in mind, know your approximate guest count and be ready to make your deposit.

- **What is my deposit?**

Your deposit is \$500.00 on most packages and is non-refundable and non-transferable. Some of the larger packages and holiday packages require a \$1000.00 deposit. The all-inclusive packages require a \$1500.00 deposit.

- **Can I arrange for a block of rooms for my family and friends?**

We no longer offer room blocks because we don't want to charge you for the rooms that aren't used. We do something better! We offer you a 10% discount code that you share with your guests to use when they make their reservations. This discount is subject to availability.

- **There aren't any rooms available at Paris, now where do my guests stay?**

Paris is a part of the Harrah's family so our reservations agents will check for rooms at all Las Vegas Harrah's owned properties. The selection includes Bally's, The Rio, Caesars, Flamingo and Harrah's.

- **My package only comes with two nights and I want to stay four...do I make my own reservation for the other two nights?**

Let your coordinator know how long you would like to stay. If available, additional nights can be added at a special discounted rate.

- **Why are room rates so high?**

Room rates in Las Vegas are not only controlled by the season but more importantly are controlled by CityWide Events and Conventions.

- **I called my Wedding Coordinator yesterday and she still hasn't called me back. Am I just a number?**

The answer to this question is most definitely "NO". Our Wedding Coordinators are professional, very caring people who work very hard and want to be available for you. However, it is important to note that they are required to work in date order. In other words...they may have weddings all day or be meeting with brides who are getting married within the week. Your coordinator will return your call as quickly as possible. You should always receive a return call within 24 to 48 hours.

- **What if I need an answer NOW and my coordinator isn't available?**

The coordinators at Paris work as a team. Call our main number at 877-650-5021 and ask to speak with any available coordinator. We all have access to your file and can make adjustments or answer any questions you might have concerning your ceremony.

- **Can I get dressed in the Bridal Room?**

We ask that you arrive completely dressed and ready to go. Once you arrive at the chapel there is a lot going on that requires your time.

- **I'm already married and want to renew my vows...what do I do?**

All of our wedding packages can be used for vow renewals. Our minister's have ceremonies specially created to celebrate your occasion. We will need a copy of your original marriage license.

Frequently Asked Questions

- **Why can't I bring my own minister?**

Your ceremony is only legal when a minister licensed through the state of Nevada performs it. In addition, your license must be filed and recorded at the County Clerk's Office after the ceremony. There is no way to monitor that this procedure is followed when allowing guest ministers to perform ceremonies.

We work within very strict time limitations both before and during our ceremonies that a guest minister is not familiar with. Our ministers are required to speak with the guests prior to the ceremony outlining various "do's" and "don'ts" such as cell phone usage and flash photography. Correct placement of the Bride, Groom and Wedding Party is essential to capture the best possible video and to allow our photographers the best possible shots for our couples.

- **How much time do I have in the chapel?**

You have a total of one hour. The time is divided in three sections. The bride and bridal party arrive 30 minutes prior to the ceremony. You'll receive your flowers, meet the minister and photographer and speak with your on-site wedding coordinator. Also during this time your guests are being seated and the groom is receiving his instructions. The ceremony, beginning with your processional and ending with the recessional, is approximately 15 minutes long and will be followed by 15 minutes of photography.

- **Who is included in the "after the ceremony" photography?**

The Bride & Groom, your wedding party and immediate family will be asked to remain in the chapel. Immediate family is defined as parents, grandparents, brothers and sisters. If you have someone special you would like included please let your coordinator know and ask your special guest(s) to also remain in the chapel.

- **"All weddings start late"... what happens if my guests or members of my wedding party arrive late?**

You are reserving the chapel for a total of one hour. If your wedding starts late it will seriously impact the amount of time allocated for your ceremony and for your photography. We will wait until the last possible moment and then it will be your choice to begin or to reschedule the ceremony. Additional fees are charged for weddings starting more than 10 minutes late. Please stress the importance of being on time to everyone! It's your day and we want everything to be perfect however it is essential that we start all weddings on time. Once the ceremony begins, with your permission, we will allow late guests to enter the chapel quietly.

- **What exactly does my Wedding Coordinator do for me?**

Your coordinator will reserve your chapel time, arrange for the minister, photographer, videographer and musician. She will discuss your floral options and order your flowers. Your coordinator also makes your room reservation, if it is a part of your wedding package. The coordinators are responsible for every element in your package from arranging your limousine to ordering your cookies and milk! The coordinator will set the chapel up with pew bows, unity candles, etc. As the on-site coordinator she will seat your guests and be sure that everything and everyone is in place for your ceremony. Your coordinator is here to answer any questions you might have and to direct you or offer suggestions to help make your dreams a reality!

- **How can I get my gown steamed?**

This is one of the 1st things you should take care of when you arrive at the hotel! When you stay at Paris we provide Valet Service and will pick-up your dress for steaming or pressing. It is important to note whether you want your dress steamed or pressed. From your room press Valet or dial 66111. The fee for this service starts at \$75.00 and goes up depending on the dress. Your dress must be picked-up by 9AM to be guaranteed a return by 8PM the same evening. If you require a quicker return there is a minimum \$10.00 fee however this service is not always available. Your dress will be returned in a clear plastic bag so keep anyone who shouldn't see the dress out of your room! Please ask your wedding coordinator for other options.

- **I have questions about getting my hair done, where to have my reception and reserving a limousine...who do I ask?**

Although your wedding coordinator cannot personally get everything set-up we should always be your point person. We will put you in touch with the experts to assist you in every area.
